PROGRAM DESCRIPTION

This presentation is designed to help participants enhance patient care by focusing on patient-centered communication functions and skills that can be effectively employed in various types of patient encounters in the cancer care setting.

This program is sponsored by and the speaker is presenting on behalf of Lilly USA, LLC. It is being presented consistent with FDA guidelines and is not approved for continuing education credit.

As a result of enacted state and federal legislation, if you are a prescriber or other licensed healthcare professional with an active license from MA, MN, and/or VT, a Veterans Affairs employee, and/or a state government employee, you may be restricted from accepting industry-provided food/beverage. Please consult your state or federal regulations or ethics laws.

This program is intended only for invited healthcare professionals (HCPs) or other appropriate personnel for whom the information that is being presented will be relative to their practice. We regret that spouses or other guests cannot be accommodated.

Lilly USA, LLC, Avant Healthcare Marketing, and our contracted third parties will not sell or rent your personally identifiable information.
